

GENERAL PUBLIC SURVEY

Melbourne International Airport (MLB)
Melbourne, Florida

The Melbourne International Airport Authority is working to improve the Melbourne International Airport (MLB) for its tenants, the traveling public, and the community. An important part of this effort is the update of the airport's Master Plan and Airport Layout Plan. We appreciate your participation in the Master Plan process and will provide opportunities for you to express your ideas and comments.

At this time, we would like to know more about your experience at MLB, any desired improvements and services, and what would be your long-term vision for MLB. Your input will help us tailor upcoming Master Plan meetings. Please take a few minutes to complete and return this survey. Thank you!!
